## INFORMATION FOR AKC NATIONAL OWNER-HANDLED SERIES

### Determining Eligibility:

- Exhibitors must declare their dog AKC National Owner-Handled Series eligible at the time of the entry using the check box on the entry form.
- The handler must be an owner of record according to the AKC's records as of the date of the show.
- Dogs declared eligible will be identified by an asterisk or other representative mark in the steward's book and the show catalog.
- Professional handlers, household members and current assistants to professional handlers may not exhibit. A current assistant is defined as anyone employed by a professional handler on a full-time basis, or assisting a professional handler at the show or any show during the cluster/weekend.
- Dogs must be handled by an owner-handler eligible for AKC NOHS thought the breed level competition for the regular show. This includes the class competition and subsequent competition in the breed ring. Additionally, dogs must be handled by an eligible owner-handler for all AKC NOHS competition.
- The Owner-Handled Best of Breed will be selected from the eligible dogs that competed in the Best of Breed/Variety competition for the regular show. This includes Winners Dog, Winners Bitch, and the undefeated winner of the non-regular classes. *This excludes all dogs defeated during class and winners competition for the regular show.*

### Determining Owner-Handled Best of Breed

Breed judging for OH Best of Breed is conducted following Best of Breed judging in the ring. All dogs in BOB competition (including WD & WB) will stay in the ring after the judge makes their placements. The ring steward will ask all professional handlers, household members, and current assistants to a professional handler, and any exhibitor that did not indicate on their entry that they were eligible for NOHS to leave the ring. The judge will then select the Owner-Handled Best of Breed. A dog being "cut" or otherwise "defeated" in the BOB ring remains eligible to compete for OH Best of Breed.

3. Consider wearing masks when in close proximity to others. Clubs should provide masks if desired for officials, judges and volunteers.
4. Consider wearing disposable or washable gloves.
5. Wash hands as frequently as possible. Have disinfecting spray at bathroom facilities for people to spray door handles (or anything else they touch). Consider hiring bathroom attendants to maintain maximum cleanliness.

7. Avoid shaking hands, hugging, or other physical contact.
8. Avoid touching dogs that are not your responsibility.

10. Disinfect surfaces in common use areas as often as possible (tables, chairs, doorknobs, etc.) Clubs and facilities may consider not providing chairs.
11. Meals - Avoid or stagger group lunches/dinners if possible.
12. Vendors should follow retail guidelines for the area.
13. Parking – Park with sufficient distance between vehicles if possible. If there is a parking fee, ask exhibitors to bring exact change.
14. Indoor show sites should work with facilities to have as many entrance/exits points open as possible. Hand sanitizer should be available at every entrance to the site and at multiple locations within the site.
15. Parking/unloading staff should wear masks and sanitize their hands following the assistance of each individual.
