### ***Suggested Best Practices for the Well-Being of Dog Sport Participants***

The AKC supports each club's informed decision to reschedule, postpone or cancel their respective events, as well as supporting clubs ready to hold events in locations that are open and permit gatherings. As events resume across the country, people need to feel safe while enjoying their dog activities. The AKC urges clubs to take appropriate precautions for the benefit of their participants. Events need to be held in a manner that emphasizes the safety of participants and event officials over efficiency.

The following is a list of suggested best practices that may be helpful when planning or attending an event. Event locations, facilities and dates will differ. With a situation that is continually evolving, it is up to the clubs to determine the guidelines that best fit their event. In order to inform participants, specific guidelines established by the club/cluster should be published in the premium, show catalog, club website and posted on signage/flyers at their event.

#### ***General Practices***

1. Clubs, officials and participants are required to follow state, local and facility guidelines that apply to the area and site where the event is held.
2. Practice social distancing consistent with guidelines in effect at the time of the event. Avoid congregating to the extent possible.
3. Consider wearing masks when in close proximity to others. Clubs should provide masks if desired for officials, judges and volunteers.
4. Consider wearing disposable or washable gloves.
5. Wash hands as frequently as possible. Have disinfecting spray at bathroom facilities for people to spray door handles (or anything else they touch). Consider hiring bathroom attendants to maintain maximum cleanliness.
6. If you utilize portable toilets, please ask for a hand washing station(s) to be delivered as well.
7. Avoid shaking hands, hugging, or other physical contact.
8. Avoid touching dogs that are not your responsibility.
9. Avoid common use pens/pencils – bring your own.
10. Disinfect surfaces in common use areas as often as possible (tables, chairs, doorknobs, etc.) Clubs and facilities may consider not providing chairs.
11. Meals - Avoid or stagger group lunches/dinners if possible. Hospitality areas should avoid community items such as salt and pepper shakers, condiments, creamers, etc. Participants should consider bringing their own lunch/drinks.
12. Vendors should follow retail guidelines for the area.
13. Parking – Park with sufficient distance between vehicles if possible. If there is a parking fee, ask exhibitors to bring exact change.
14. Indoor show sites should work with facilities to have as many entrance/exits points open as possible. Hand sanitizer should be available at every entrance to the site and at multiple locations within the site.
15. Parking/unloading staff should wear masks and sanitize their hands following the assistance of each individual.

## **SATURDAY AND SUNDAY**

### **AKC NATIONAL OWNER-HANDLED SERIES**

The AKC National Owner-Handled Series is a non-titling competition for dogs that are exhibited by their owners that are not professional handlers.

Exhibitors must declare their dog is Owner-Handled eligible at the time of entry on the entry form. Dogs entered in the Amateur-Owner-Handler class will automatically be marked as eligible to compete in the NOHS. Eligible dogs will be identified by an asterisk in the judge's book, steward's book & the catalog. **Dogs must be handled throughout the breed level competition for the regular show by an eligible owner. Professional handlers\*, household members and current assistants\*\* to professional handlers may not exhibit the dog in any NOHS competition during the entire show.**

Owner-Handled Best of Breed will be selected from the dogs that are eligible to compete in the Best of Breed competition including Winners Dog, Winners Bitch and winners of the non-regular classes.

- If the Best of Breed/Variety winner is Owner-Handled competition eligible, it will automatically be Owner-Handled Best of Breed/Variety and be eligible to compete in both the regular as well as the Owner-Handled group.
- If the Best of Breed/Variety winner is not eligible for Owner-Handled competition and the Best of Opposite Sex to Best of Breed/Variety is eligible, the Best of Opposite Sex to Best of Breed/Variety will compete against the eligible exhibits of the other sex to determine Owner-Handled Best of Breed/Variety.
- If neither the Best of Breed nor the Best of Opposite Sex to Best of Breed/Variety are Owner-Handled competition eligible and Select Dog & Select Bitch are both eligible, the judge is to choose Best Owner-Handled exhibit from the Selects and eligible Winners Dog or Winners Bitch.
- If one of the Selects is eligible, excuse all Champions and non-regular class winners of the same sex and then choose Best Owner-Handled exhibit from the remaining dogs of the opposite sex including the eligible Winners.
- If Best of Breed, Best of Opposite Sex to Best of Breed, Select Dog & Select Bitch are not eligible, the judge may choose any eligible dog remaining in the ring including Winners Dog or Winners Bitch as Owner-Handled Best of Breed/Variety.
- If the Best of Winners is eligible, the other Winner is ineligible since it was defeated.
- No class dogs other than the Winners Dog & Winners Bitch are eligible to return to the ring.

The breed will not be represented in the Owner-Handled Group if there is no eligible dog competing in the Best of Breed or in Best of Winners competition.

*\*Professional handlers are defined as any person who belongs or has belonged to a professional handlers' organization, distributed rate cards, or otherwise advertised or represented themselves as handling dogs for pay within the last five years*

*\*\*A current assistant is defined as anyone employed by a professional handler on a full-time basis, or assisting a professional handler at the show or any time during the cluster/weekend. Current assistants that are eligible to compete in Junior Showmanship (meet age & amateur status requirements) may participate in NOHS. .AKC Revised 5/11/18*

A flat ribbon will be awarded for Best Owner Handler in each breed or variety. A rosette will be provided for all group placements, including Best OH in Show, and Reserve Best OH in Show.
