OFFICIAL NOTICE - CHANGE OF JUDGE

American Kennel Club Rules Applying to Dog Shows, the following judge changes are being made. The owner of each dog affected has the right to withdraw his entry and have his entry fee refunded provided notification of his withdrawal is received by the Superintendent no later than one-half hour prior to the scheduled start of any regular conformation judging at the show.

Under Ch. 7, Sec. 13

Mrs. Klingel-Brown will judge Bulldogs, Lhasa Apsos, Lowchen in place of Mr. Cole.

How a Dog Show Works

Each dog presented to a judge is exhibited ("handled") by its owner, breeder or a hired professional. The role of a handler is similar to that of a jockey who rides a horse around the track and, hopefully, into the winner's circle.

Most dogs in competition at conformation shows are competing for points toward their AKC championships. It takes fifteen points, including two majors (wins of three, four or five points) awarded by at least three different judges, to become an American Kennel Club "Champion of Record."

The number of championship points awarded at a show depends on the number of males ("dogs") and females ("bitches") of the breed actually in competition. The larger the entry, the greater the number of points a male or a female can win. The maximum number of points awarded to a dog at any show is 5 points.

Males and females compete separately within their respective breeds, in six regular classes. The following classes are offered, and are divided by sex:

Puppy - For dogs between six and twelve months of age, that are not yet champions. Age divisions are typically divided 6 and under 9 months, and 9 and under 12 months.

Twelve-To-Eighteen Months - For dogs twelve and under eighteen months of age, that are not yet champions. This class can be split 12 months and under 15 months; 15 months and under 18 months.

Novice - For dogs six months of age and over, which have not, prior to the date of closing of entries, won three first prizes in the Novice Class, a first prize in Bred-by-Exhibitor, American-bred, or Open Classes, nor one or more points toward their championship.

Amateur Owner Handler – For dogs that are at least six months of age, handled in the class by the registered owner. This class is restricted to exhibitors who have not been a profession handler, judge, or employed by a professional dog handler. Members of the immediate family or household of a current professional handler are ineligible for this class.

Bred By Exhibitor - For dogs that are exhibited by their owner and breeder, that are not yet champions. This class can be split 6 months and under 12 months; 12 months and older

American-Bred - For dogs born in the United States from a mating which took place in the United States, that are not yet champions.

Open - For any dog at least 6 months of age.

After these classes are judged, all the dogs that won first place in a class compete again to see who is the best of the winning dogs. Males and females are judged separately. Only the best male (Winners Dog) and the best female (Winners Bitch) receive championship points. The Winners Dog and Winners Bitch then compete with the champions for the Best of Breed award. At the end of the Best of Breed Competition, three awards are usually given:

Best of Breed - the dog judged as the best in its breed category.

Best of Winners - the dog judged as the better of the Winners Dog and Winners Bitch.

Best of Opposite Sex - the best dog that is the opposite sex to the Best of Breed winner.

The Road to Best in Show

Dog shows are a process of elimination, with one dog being named **Best in Show** at the end of the show.

Only the Best of Breed winners advance to compete in the **Group** competitions. Each AKC-recognized breed falls into one of seven group classifications. The seven groups are Sporting, Hound, Working, Terrier, Toy, Non-Sporting and Herding. Four placements are awarded in each group, but only the first-place winner advances to the Best In Show competition.

The Seven Groups in All-Breed Shows

Sporting - bred to hunt game birds both on land and in the water

Hounds - bred for hunting other game by sight or scent

Working - bred to pull carts, guard property and perform search and rescue services

Terrier - bred to rid property of vermin such as rats

Toy - bred to be household companions

Non-Sporting - vary in size and function, and many are considered companion dogs.

Herding - bred to help shepherds and ranchers herd their livestock.

Finally, the seven group winners are brought into the ring where they compete for **Reserve Best In Show** and **Best In Show**, the highest award at a dog show.

How to Count Grand Championship Points at AKC Dog Shows

A dog must be (1) a Champion of Record or (2) have been transferred to BOB competition based upon the owners' records of their having completed the requirements for a CH title to be eligible for Grand Championship (GCH) competition.

The American Kennel Club requires a dog to obtain a total of 25 points with three major wins (a major win is worth three points or higher) to become a Grand Champion. The majors must be won under three different judges and at least one other judge must award some of the remaining points – so you need to win under at least four different judges. Also at least one Champion of Record must be defeated at three of these shows.

Best of Breed – BOB; Best of Opposite Sex – BOS
Select Dog – SD; Select Bitch – SB

Remember, point schedules vary by show location. If you are not at the show, make certain you get the points schedule for the event region where your dog won. Refer to the *Schedule of Points*.

The Grand Championship points awarded are determined by the same divisional point schedules that are used for the calculation of championship (CH) points.

Check the posted copies of the judge's book before you leave the show to make certain your dog was marked correctly. Mistakes do happen! Also, verify that your dog's AKC registration number is correct in the catalog. If it is not correct, let the superintendent know before you leave the show. In both cases, it's easier to make the correction on the day of the show rather than later.

How To Figure Points If Your Champion Dog or Bitch Goes Best of Breed

Grand Championship points will be calculated according to the number of dogs *competing* in the regular classes, as well as dogs competing in Best of Breed competition.

A dog awarded BOB will be credited with the number of GCH points calculated for BOB or BOS whichever is greater.

TIPS: (Effective 11/1/17) Veteran dogs or any other non-regular class dogs are counted in determining points. All eligible entrants from non-regular classes can earn Grand Championship points. Any Champion dog from the regular or non-regular classes is not considered for the requirement to defeat at least one Champion of Record at three shows.

TIPS: When counting dogs in competition, you only count dogs present that are judged. Dogs that are disqualified, dismissed, excused, absentee or have all awards withheld do not count.

How To Figure Points If Your Champion Dog or Bitch Goes Best of Opposite Sex

If the Judge elects to award GCH points to his BOS winner, we count all dogs of their sex competing.

How To Figure Points for Select Dog or Bitch

Now we move on to Select Dog and Select Bitch. These are new AKC terms created for use in the Grand Championship program. Here we count all dogs of the same sex except BOB or BOS in the Best of Breed and regular classes. Once again, it is entirely at the judge's discretion to choose a Select Dog and/or a Select Bitch.
