Chapter 11, section 8 of the "Rules Applying to Dog Shows" provides that a neutered male may be entered as a Veteran Dog in the Veteran Dog Class and a spayed bitch may be entered as a Veteran Bitch in the Veteran Bitch Class.

Best of Breed Competition

For dogs that are Champions of Record, and for dogs, which according to their owners' records have completed the requirements for a championship, but whose championships are unconfirmed. The entry and showing of dogs whose championships are unconfirmed is limited to a period of 90 days from the date of the show where the dog completed the requirements for a championship according to the owner's records.

Select Dog – Select Bitch Competition

The following categories of dogs are entered in this competition: 1. Dogs that are Champions of Record competing in Best of Breed or Variety class. 2. Dogs transferred to Best of Breed/Variety class which according to their owners' records have completed the requirements for a championship but whose championships are unconfirmed. 3. Champions that win Non-Regular classes and become eligible for Best of Breed competition. (Altered or spayed CH veteran class winners at independent specialties are eligible.) 4. Winners Dog and Winners Bitch are not eligible for Grand Champion Competition. At the judge's discretion, Grand Champion Points may be awarded to 1. Best of Breed or Variety, 2. Best of Opposite Sex, 3. Select Dog, 4. Select Bitch. Grand Champion competition will not continue beyond Best of Breed competition, and in breeds that are divided into varieties, Grand Champion competition will not continue beyond Best of Variety competition.

Judge's Award of Merit

After awarding Best of Breed, Best of Winners, and Best of Opposite Sex, the judge may present Awards of Merit up to 10% of the exhibits competing in the Best of Breed class that are, in his/her opinion, outstanding specimens of the breed. Best of Breed, Best of Winners and Best of Opposite Sex are not eligible.

Non-Regular Classes Involving Multiple Dog Entries

Stud Dog Class – For Stud Dogs and two of their Get. Stud Dogs must be entered in the Stud Dog Class, and must be shown in the ring with their Get. Get only to be judged, based upon the merits of the Get. Get must be entered in a Regular Class, Best of Breed, or other Non-Regular Class.

Brood Bitch Class – Same as Stud Dog Class, substitute "Brood Bitches" for "Stud Dogs" and "Produce" for Get.

As the judge's decision in this class will be based on the merits of more than one dog or bitch, no one dog or bitch making up the entry judged first in the class, will be eligible to compete for Best of Breed by virtue of having won this class.

GRCA Sweepstakes Guidelines

Handler: The handler of the Sweepstakes exhibit must be either the owner, co-owner, breeder or member of their immediate family or legal domestic partner as they are listed on file with the American Kennel Club as of the closing date for the show for which the Sweepstakes entry is being made. Immediate family is defined as husband, wife, mother, father, brother, sister, son, daughter. Stepchildren and legal wards are also included in this definition. In-laws and grandchildren are not considered to be immediate family members. No other individual may take the entry into the ring during judging or check-in.

The following individuals are excluded from showing an exhibit in sweepstakes unless they are the SOLE owner registered with the AKC or co-own the entry with a member of their immediate family as defined above or a legal domestic partner:

- Any individual listed as an agent on any dog in any regular or non-regular class
- Any individual with an Agent number including, but not limited to an AKC Registered Handler Number or Professional Handlers Association (PHA) number.

To avoid confusion or question, it is recommended that a photocopy of the registration certificate be included with the entry for a co-owned exhibit.

Disabled or physically challenged handlers are encouraged to show their own dogs and every effort will be made to accommodate them. Some things which might be done to assist them are: making sure the ring gate opening is wide enough for a wheel chair; making sure the surface is as level and smooth as possible; placing slower handlers at the end of the line or having them gait their dogs together; allowing someone else to push an exhibitor's wheelchair, providing they do not handle the dog; making sure stewards and judges face a handler who is hearing impaired when speaking to them; permitting the use of crutches or canes.

Best in Sweepstakes Class. It is required that the same person who showed the dog to a first place in a Sweepstakes class will also show the dog in the Best in Sweepstakes class. However, if that person should have more than one dog in the Best in Sweepstakes class, someone else is permitted to show the additional winner. That person should meet the handler definitions above. Only in cases where there is not another owner, co-owner, breeder or co-breeder, should another person take the dog into the Best in Sweeps class. It is understood that there would be no financial benefit to that individual.

Individuals who have an AKC Handler number, a PHA number or are listed as an agent on any dog in the regular or non-regular classes may not show a sweepstakes entrant unless they are the sole owner registered with the AKC or co-own the entry with a member of their immediate family (as defined above) or a legal domestic partner.

Prize Money

The Distribution of prize money will be by the following schedule of the percent of the entry in each class:

35 % Host Club to cover expenses. First place in each class 25%, second place 20%, third place 15% and fourth 5%.
