***Pee Wee Class – Saturday at Noon in Ring 7*
*(Geared for children ages 5-9; Saturday)***

“JUDGE” Mrs. Karen Dorn

Each Pee Wee unit consists of the child, their responsible adult, and the dog. Only one Pee Wee unit is in the ring at a time. This is not a competitive class, but rather a fun, learning experience for the child and the adult.

A dog must be at least four months of age to enter the Pee Wee class.

- All dogs entered must have the proper lead and collar.
- A responsible adult must be present with the child both inside and outside the ring. The adult is to maintain control of the dog outside of the ring.
- Dogs that are allowed: AKC fully recognized, Miscellaneous Class breeds, PAL listings, FSS breeds, and All-American
- A release must be signed by the child's parent or legal guardian. Pee Wee Release of Liability will be available at the show. A time and ring will be listed in the judging program.
- The entry fee has been waived by the club. There is no cost for this event. Entries will be accepted on the day of the event.
- The safety of the dog and child inside and outside the ring is a primary concern. Outside of the ring, the dog is to be controlled by the adult accompanying the child. At the Judge's discretion based upon the size of the child and the dog, for safety purposes the adult may be asked to attach a second lead to the dog so both child and adult will walk the dog together.
- Although the word “judge” will be used, this is designed to be learning and mentoring experience. No Junior will be “judged”, but rather will be mentored with the age-appropriate amount of information to help prepare them for what they will be expected to know about AKC regular Junior Showmanship once they reach 9 years of age. The children will be mentored one child, their adult, and dog in the ring at a time. Each child will receive a participation ribbon to commemorate the experience.

There is no pre-entry, but we would like to know the number of Pee Wee Participants to expect. Please send an email with the participant's name and adult's name by January 1.

A luncheon for both the participant and adult will be served.

To make a reservation, and for any questions regarding this Special Attraction, please contact:

TRANSFERS - The Deadline for Exhibitors wishing to transfer their dogs is at the Superintendent's table prior to 8:00 AM the morning of the show.

NEW EXHIBITOR INFORMATION - New Exhibitors can find information about the show at the club table.

NOTES – At the time of this printing, there were no judge changes on this day.

How a Dog Show Works

Each dog presented to a judge is exhibited ("handled") by its owner, breeder or a hired professional. The role of a handler is similar to that of a jockey who rides a horse around the track and, hopefully, into the winner's circle.

Most dogs in competition at conformation shows are competing for points toward their AKC championships. It takes fifteen points, including two majors (wins of three, four or five points) awarded by at least three different judges, to become an American Kennel Club "Champion of Record."

The number of championship points awarded at a show depends on the number of males ("dogs") and females ("bitches") of the breed actually in competition. The larger the entry, the greater the number of points a male or a female can win. The maximum number of points awarded to a dog at any show is 5 points.

Males and females compete separately within their respective breeds, in six regular classes. The following classes are offered, and are divided by sex:

Puppy - For dogs between six and twelve months of age, that are not yet champions. Age divisions are typically divided 6 and under 9 months, and 9 and under 12 months.

Twelve-To-Eighteen Months - For dogs twelve and under eighteen months of age, that are not yet champions. This class can be split 12 months and under 15 months; 15 months and under 18 months.

Novice - For dogs six months of age and over, which have not, prior to the date of closing of entries, won three first prizes in the Novice Class, a first prize in Bred-by-Exhibitor, American-bred, or Open Classes, nor one or more points toward their championship.

Amateur Owner Handler – For dogs that are at least six months of age, handled in the class by the registered owner. This class is restricted to exhibitors who have not been a profession handler, judge, or employed by a professional dog handler. Members of the immediate family or household of a current professional handler are ineligible for this class.

Bred By Exhibitor - For dogs that are exhibited by their owner and breeder, that are not yet champions. This class can be split 6 months and under 12 months; 12 months and older

American-Bred - For dogs born in the United States from a mating which took place in the United States, that are not yet champions.

Open - For any dog at least 6 months of age.

After these classes are judged, all the dogs that won first place in a class compete again to see who is the best of the winning dogs. Males and females are judged separately. Only the best male (Winners Dog) and the best female (Winners Bitch) receive championship points. The Winners Dog and Winners Bitch then compete with the champions for the Best of Breed award. At the end of the Best of Breed Competition, three awards are usually given:

Best of Breed - the dog judged as the best in its breed category.

Best of Winners - the dog judged as the better of the Winners Dog and Winners Bitch.

Best of Opposite Sex - the best dog that is the opposite sex to the Best of Breed winner.

The Road to Best in Show

Dog shows are a process of elimination, with one dog being named **Best in Show** at the end of the show.

Only the Best of Breed winners advance to compete in the **Group** competitions. Each AKC-recognized breed falls into one of seven group classifications. The seven groups are Sporting, Hound, Working, Terrier, Toy, Non-Sporting and Herding. Four placements are awarded in each group, but only the first-place winner advances to the Best In Show competition.

The Seven Groups in All-Breed Shows

Sporting - bred to hunt game birds both on land and in the water

Hounds - bred for hunting other game by sight or scent

Working - bred to pull carts, guard property and perform search and rescue services

Terrier - bred to rid property of vermin such as rats

Toy - bred to be household companions

Non-Sporting - vary in size and function, and many are considered companion dogs.

Herding - bred to help shepherds and ranchers herd their livestock.

Finally, the seven group winners are brought into the ring where they compete for **Reserve Best In Show** and **Best In Show**, the highest award at a dog show.

HOW TO COUNT POINTS

For complete Conformation Championship requirements, see **Chapter 16** of the *Rules Applying to Dog Shows* at akc.org

The Points toward a Championship shall be awarded to the Winners Dog and Bitch of each breed or variety based on the actual number of dogs or bitches competing in that breed or variety.

If the dog designated Winners Dog or Winners Bitch is also awarded Best of Breed or Variety, the dogs of both sexes that have been entered for Best of Breed or Variety competition and that have been defeated in such competition, shall be counted in addition to the dogs that competed in the regular classes for its sex in calculating championship points

If the dog designated Winners Dog or Winners Bitch is also awarded Best of Opposite Sex to Best of Breed or Variety, the dogs of its own sex that have been entered for Best of Breed or Variety competition that have been defeated in competition for Best of Opposite Sex, shall be counted in addition to the dogs that competed in the regular classes for its sex in calculating championship points

After points have been computed for Winners Dog and Winners Bitch subject to the above two stipulations, the dog awarded the Best of Winners shall be credited with the number of points calculated for Winners Dog or Winners Bitch, whichever is greater. If no points are available for the Best of Winners, the number of regular class dogs in both sexes are added together and compared to the point schedule. If the total sum of regular class dogs and bitches meets or exceeds the number of competitors needed for one point in its sex, the Best of Winners will receive one championship point.

In counting the number of eligible dogs in competition, a dog that is disqualified, or that is dismissed, excused or ordered from the ring by the judge, or from which all awards are withheld shall not be included. Any dog which shall have won fifteen points shall become a Champion of Record, if six or more of said points shall have been won at two shows with a rating of three or more championship points each and under two different judges, and some one or more of the balance of said points shall have been won under some other judge or judges than the two judges referred to above.

For schedule of points corresponding to this dog show, please see breed heading in the catalog.
