## SUNDAY

The compilation of entries in each breed and the division by sex, has been carefully prepared for your convenience. However, the Club and the Show Superintendent assume no responsibility for its absolute accuracy. The figure following each breed indicates the number of dogs, bitches and Best of Breed Competition, in that order.

Groups will be judged in the following order.  
Any change in this order will be announced at the show.

Variety Groups at 2 pm in 5-6  
Toys Mr. Olvis

**TRANSFERS TO BEST OF BREED COMPETITION** - The Deadline for Exhibitors wishing to transfer their dogs to Best of Breed Competition is at the Superintendent's Table prior to 7:30 AM the morning of the show.

### OFFICIAL NOTICE - CHANGE OF JUDGE

Under Chapter 7, Section 13 of the American Kennel Club rules, the following judge changes are being made. The owner of each dog affected has the right to withdraw his entry and have his entry fee refunded provided notification of his withdrawal is received by the Superintendent no later than one-half hour prior to the scheduled start of any regular conformation judging at the show.

Mrs. Campbell-Freeman will judge Bloodhounds and BISOH in place of Ms. Kerr.

## How a Dog Show Works

Each dog presented to a judge is exhibited ("handled") by its owner, breeder or a hired professional. The role of a handler is similar to that of a jockey who rides a horse around the track and, hopefully, into the winner's circle.

Most dogs in competition at conformation shows are competing for points toward their AKC championships. It takes fifteen points, including two majors (wins of three, four or five points) awarded by at least three different judges, to become an American Kennel Club "Champion of Record."

The number of championship points awarded at a show depends on the number of males ("dogs") and females ("bitches") of the breed actually in competition. The larger the entry, the greater the number of points a male or a female can win. The maximum number of points awarded to a dog at any show is 5 points.

Males and females compete separately within their respective breeds, in six regular classes. The following classes are offered, and are divided by sex:

**Puppy** - For dogs between six and twelve months of age, that are not yet champions. Age divisions are typically divided 6 and under 9 months, and 9 and under 12 months.

**Twelve-To-Eighteen Months** - For dogs twelve and under eighteen months of age, that are not yet champions.

**Novice** - For dogs six months of age and over, which have not, prior to the date of closing of entries, won three first prizes in the Novice Class, a first prize in Bred-by-Exhibitor, American-bred, or Open Classes, nor one or more points toward their championship.

**Amateur Owner Handler** – For dogs that are at least six months of age, handled in the class by the registered owner. This class is restricted to exhibitors who have not been a profession handler, judge, or employed by a professional dog handler. Members of the immediate family or household of a current professional handler are ineligible for this class.

**Bred By Exhibitor** - For dogs that are exhibited by their owner and breeder, that are not yet champions. This class can be split 6 months and under 12 months; 12 months and older

**American-Bred** - For dogs born in the United States from a mating which took place in the United States, that are not yet champions.

**Open** - For any dog at least 6 months of age.

After these classes are judged, all the dogs that won first place in a class compete again to see who is the best of the winning dogs. Males and females are judged separately. Only the best male (Winners Dog) and the best female (Winners Bitch) receive championship points. The Winners Dog and Winners Bitch then compete with the champions for the Best of Breed award. At the end of the Best of Breed Competition, three awards are usually given:

**Best of Breed** - the dog judged as the best in its breed category.

**Best of Winners** - the dog judged as the better of the Winners Dog and Winners Bitch.

**Best of Opposite Sex** - the best dog that is the opposite sex to the Best of Breed winner.

## The Road to Best in Show

Dog shows are a process of elimination, with one dog being named **Best in Show** at the end of the show.

Only the Best of Breed winners advance to compete in the **Group** competitions. Each AKC-recognized breed falls into one of seven group classifications. The seven groups are Sporting, Hound, Working, Terrier, Toy, Non-Sporting and Herding. Four placements are awarded in each group, but only the first-place winner advances to the Best In Show competition.

## The Seven Groups in All-Breed Shows

**Sporting** - These dogs were bred to hunt game birds both on land and in the water.

**Hounds** - These breeds were bred for hunting other game by sight or scent.

**Working** - These dogs were bred to pull carts, guard property and perform search and rescue services.

**Terrier** - Terriers were bred to rid property of vermin such as rats.

**Toy** - These dogs were bred to be household companions.

**Non-Sporting** - These dogs vary in size and function, and many are considered companion dogs.

**Herding** - These dogs were bred to help shepherds and ranchers herd their livestock.

Finally, the seven group winners are brought into the ring where they compete for **Reserve Best In Show** and **Best In Show**, the highest award at a dog show.
