**National Owner Handled Series  
Thursday, Friday, Saturday, Sunday**

The AKC National Owner-Handled Series is a non-titling competition for dogs that are exhibited by their owners that are not professional handlers.

Exhibitors must declare their dog is Owner-Handled eligible at the time of entry on the entry form. Dogs entered in the Amateur-Owner-Handler class will automatically be marked as eligible to compete in the NOHS. Eligible dogs will be identified by an asterisk in the judge's book, steward's book & the catalog.

**Dogs must be handled throughout the breed level competition for the regular show by an eligible owner. Professional handlers\*, household members and current assistants\*\* to professional handlers may not exhibit the dog in any NOHS competition during the entire show.**

Owner-Handled Best of Breed will be selected from the dogs that are eligible to compete in the Best of Breed competition including Winners Dog, Winners Bitch and winners of the non-regular classes.

- If the Best of Breed/Variety winner is Owner-Handled competition eligible, it will automatically be Owner-Handled Best of Breed/Variety and be eligible to compete in both the regular as well as the Owner-Handled group.
- If the Best of Breed/Variety winner is not eligible for Owner-Handled competition and the Best of Opposite Sex to Best of Breed/Variety is eligible, the Best of Opposite Sex to Best of Breed/Variety will compete against the eligible exhibits of the other sex to determine Owner-Handled Best of Breed/Variety.
- If neither the Best of Breed nor the Best of Opposite Sex to Best of Breed/Variety are Owner-Handled competition eligible and Select Dog & Select Bitch are both eligible, the judge is to choose Best Owner-Handled exhibit from the Selects and eligible Winners Dog or Winners Bitch.
- If one of the Selects is eligible, excuse all Champions and non-regular class winners of the same sex and then choose Best Owner-Handled exhibit from the remaining dogs of the opposite sex including the eligible Winners.
- If Best of Breed, Best of Opposite Sex to Best of Breed, Select Dog & Select Bitch are not eligible, the judge may choose any eligible dog remaining in the ring including Winners Dog or Winners Bitch as Owner-Handled Best of Breed/Variety.
- If the Best of Winners is eligible, the other Winner is ineligible since it was defeated.
- No class dogs other than the Winners Dog & Winners Bitch are eligible to return to the ring.

The breed will not be represented in the Owner-Handled Group if there is no eligible dog competing in the Best of Breed or in Best of Winners competition.

*\*Professional handlers are defined as any person who belongs or has belonged to a professional handlers' organization, distributed rate cards, or otherwise advertised or represented themselves as handling dogs for pay within the last five years*

*\*\*A current assistant is defined as anyone employed by a professional handler on a full-time basis, or assisting a professional handler at the show or any time during the cluster/weekend. Current assistants that are eligible to compete in Junior Showmanship (meet age & amateur status requirements) may participate in NOHS. .AKC Revised 5/11/18*

### NON-REGULAR CLASSES, INVOLVING SINGLE DOG ENTRIES

**Veteran (divided by sex) - 7 years of age and older**

### BEST OF BREED (VARIETY) COMPETITION

**Best of Breed (Variety) Competition** - "The following categories of dogs may be entered and shown in Best of Breed competition. Dogs that are Champions of Record. Dogs which according to their owner's records have completed the requirements for a championship but whose championships are unconfirmed. The entry and showing of dogs whose championships are unconfirmed is limited to a period of 90 days from the date of the show where a dog completed the requirements for a championship according to the owner's records. If, at the end of the 90-day period, the championship of a dog has not been confirmed by the American Kennel Club, no further entries of the dog for Best of Breed competition are to be made until its championship has been confirmed by the AKC."

### NON-REGULAR CLASSES, INVOLVING MULTIPLE DOG ENTRIES

**Stud Dog Class** - For dogs that have sired two dogs or bitches entered in this show. The award will be based on the merits of the get. The owner of the stud dog need not be the owner of the get. As the judge's decision in this class will be based on the merits of more than one dog or bitch, no one of the dogs or bitches making up the entry judged first in the class, will be eligible to compete for Best of Breed by virtue of having won this class. The Stud Dog must appear in the ring with his get and be entered in the Stud Dog Class.

**Brood Bitch Class** - For bitches that have whelped two dogs or bitches entered in this show. Same as Stud Dog except replace Stud Dog with Brood Bitch, and get with produce.

**Brace Class** – For two dogs of the same breed or variety with one common owner.
